TS-166 Crystal-Clear Floor Finish

Clear

The Choice is Clear

TS-166 Crystal-Clear Floor Finish will harden, protect and brighten your wood floors, permanently! This new generation, premium quality clear waterborne urethane/acrylic polymer finish is the latest in urethane coatings technology and its tough enough for sport floor applications! Since it is a water white, non-yellowing formula it lets the beauty of the wood show through.

This easy to apply, non-flammable formulation is guaranteed to be non-yellowing, highly durable and virtually odor-free. Crystal-Clear Floor finish provides outstanding brilliance, protection and long lasting, durable beauty to your wood floors, furniture, cabinets and paneling. It resists chipping, dulling and most household chemicals.

Crystal-Clear Floor Finish has been formulated to provide beautiful high gloss protection to high traffic areas such as floors, hallways, stairways and landings. This mirror-like finish adds elegance, depth and beauty to any wood surface. Acceptable for use with any wood surface that must withstand high traffic and heavy use.
