TS-199-00 Home & Deck Preservative Stain

Stock Colors and Clear

Preserves And Beautifies

TS-199-00 Home and Deck Preservative Stain allows you to keep the beauty of the wood on your home or deck free of discoloration, peeling and deterioration for years to come.

Formulated as a superior penetrating preservative that has been designed to provide maximum protection from the elements. The addition of Top Secret ultra-violet absorbers block UV rays, while our proprietary blend of resins keep out water and contaminants.

A water repellent that protects, penetrates and seals. Additionally, it is mold and mildew resistant, and resists damage from the sun. Available in a wide variety of designer colors that enhances the beauty of wood. Prevents wood from raised grain, swelling, shrinking, cracking and stains.

Since it covers in just one light, evenly applied coat it spreads further than typical stains and wood preservatives. Excellent for interior or exterior use. Acceptable for use on pressure treated wood. Available in one gallon or five gallon cans. Dries to a matte finish.
